their attorneys to prosecute the application and to transact in connection therewith all business in the Patent and Trademark Office and before competent International authorities; and further authorize and empower my U.S. attorneys, **OPPENHEIMER WOLFF & DONNELLY LLP**, to receive and act upon all instructions provided to them by my below-identified agents with respect to all matters relating to the filing, prosecution, abandonment, and/or issuance of the above-described U.S. patent application, including all divisional, continuing, or other related applications: **NONY & PARTNERS** and **OPPENHEIMER WOLFF & DONNELLY LLP** may continue to follow all instructions received from my above-identified agents until notified in writing to the contrary. The authority given Oppenheimer Wolff & Donnelly is limited to the prosecution of the patent described herein and does not disqualify Oppenheimer Wolff & Donnelly to represent any party adverse to us for any matter or litigation not related to said patent.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that those statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
